4 SECTION 2. IC 4-12-1-12 IS AMENDED TO READ AS
 5 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. (a) Within
 6 forty-five (45) days following the adjournment of ~~the regular session of~~
 7 ~~the~~ **a general assembly in which a budget is adopted**, the budget
 8 agency shall examine the acts of such general assembly and, with the
 9 aid of its own records and those of the budget committee, shall prepare

 11 beginning on July 1 following such ~~regular session~~ **in which a budget**
 12 **is adopted**, or so made for such other period as is provided in the

 21 expenditure or encumbrance during the fiscal year beginning on the
 22 first day of July of that calendar year. At the same time, the budget
 23 agency shall establish the amount of a reserve from the general fund
 24 surplus which such agency estimates will be necessary and required to

7 established by IC 21-6.1, made for one specific use or purpose to
8 another use or purpose of the agency of state to which the appropriation
9 is made, but only when the uses and purposes to which the funds
10 transferred, assigned and reassigned are uses and purposes the agency
11 of state is by law required or authorized to perform. No transfer may be
12 made as in this subsection authorized unless upon the request of and
13 with the consent of the agency of state whose appropriations are
14 involved. Except to the extent otherwise specifically provided, every
15 appropriation made and hereafter made and provided, for any specific
16 use or purpose of an agency of the state is and shall be construed to be

21 **appropriations provided for in this section applies to transfers,**
22 **assignments, or reassignments except as specifically provided for**
23 **in an appropriation act or in any law. If an appropriation, an**

to ensure the health and welfare of Indiana's low-income senior citizens. The account consists of:

- (1) amounts to be distributed to the account from the Indiana tobacco master settlement agreement fund;
- (2) appropriations to the account from other sources;
- (3) rebates:
 - (A) required under 42 U.S.C. 1396r-8(a) for a Medicaid waiver under which a prescription drug program is established or implemented; or
 - (B) voluntarily negotiated under a prescription drug program that is established or implemented;

- (4) federal funds received under 42 U.S.C. 1396r-8(a) for a Medicaid waiver; and**
- (5) grants, gifts, and donations intended for deposit in the account.**

(b) The account shall be administered by the ~~budget agency~~ **office of the secretary of family and social services for the Indiana prescription drug program**. Expenses for administration and benefits under the Indiana prescription drug program established under IC 12-10-16 shall be paid from the account. Money in the account at the end of the state fiscal year does not revert to the state general fund or the Indiana tobacco master settlement agreement fund but is annually appropriated and remains available for expenditure for a prescription drug program established or implemented to provide access to prescription drugs for low income senior citizens. **Money in the account is automatically allotted, and appropriations, allotments, and money in the account are not subject to:**

- (1) transfers by the state board of finance as allowed under IC 4-9.1-1-7;**
- (2) transfer, assignment or reassignment by the budget agency as allowed under IC 4-12-1-12(e); or**
- (3) allotment by the budget agency as allowed by IC 4-13-2-18.**

(c) Money in the account may be used to match federal funds available under a Medicaid waiver under which a prescription drug program is established or implemented to provide access to prescription drugs for low income senior citizens.

SECTION 4. IC 4-13-2-18 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) For the purpose of the administration of the allotment system provided by this

section, each fiscal year shall be divided into four (4) quarterly allotment periods, beginning respectively on the first day of July, October, January, and April. However, in any case where the quarterly allotment period is impracticable, the state budget director may prescribe a different period suited to the circumstances but not extending beyond the end of any fiscal year.

(b) **The allotment process applies to appropriations, funds, and accounts except as provided for in an appropriation act, or except as provided in any other law that designates the appropriation, fund, or account as automatically allotted. In the latter case, the books of the auditor of state and treasurer of state shall show the money appropriated to or received by the funds and accounts as automatically allotted.**

(c) Except as otherwise expressly provided in this section, the provisions of this chapter relating to the allotment system and to the encumbering of funds shall apply to appropriations and funds of all kinds, including standing or annual appropriations and dedicated funds, from which expenditures are to be made from time to time by or under the authority of any state agency. However, the provisions relating to the allotment system shall not apply to moneys made available for the purpose of conducting a post-audit of financial transactions of any state agency. Likewise, appropriations for construction or for the acquisition of real estate for public purposes may be exempted from the allotment system by the state budget director, but in such cases he shall prescribe such regulations as will insure the proper application and encumbering of funds.

~~(c)~~ (d) No appropriation to any state agency shall become available for expenditure until:

(1) such state agency shall have submitted to the state budget agency a request for allotment, such request for allotment to consist of an estimate of the amount required for each activity and each purpose for which money is to be expended during the applicable allotment period; ~~and~~

(2) such estimate contained in the request for allotment shall have been approved, increased, or decreased by the state budget director and funds allotted therefor as hereinafter provided; **and**

(3) an appropriation act or any other law designates the appropriation, fund, or account as automatically allotted.

The form of a request for allotment **under subdivisions (1) and (2)**, including a request by hand, mail, facsimile transmission, or other electronic transmission, shall be prescribed by the state budget agency with the approval of the auditor of state and shall be submitted to them

at least twenty-five (25) days prior to the beginning of the allotment period.

~~(d)~~ (e) Each request for allotment shall be reviewed by the state budget agency and respective amounts therein shall be allotted for expenditure if:

(1) the estimate therein is within the terms of the appropriation as to amount and purpose, having due regard for the probable future needs of the state agency for the remainder of the fiscal year or other term for which the appropriation was made; and

(2) the agency contemplates expenditure of the allotment during the period.

Otherwise the state budget agency shall modify the estimate so as to conform with the terms of the appropriation and the prospective needs of the state agency, and shall reduce the amount to be allotted accordingly. The state budget agency shall act promptly upon all requests for allotment and shall notify every state agency of its allotments at least five (5) days before the beginning of each allotment period. The total amount allotted to any agency for the fiscal year or other term for which the appropriation was made shall not exceed the amount appropriated for such year or term.

~~(e)~~ (f) The state budget director shall also have authority at any time to modify or amend any allotment previously made by him.

~~(f)~~ (g) In case the state budget director shall discover at any time that:

(1) the probable receipts from taxes or other sources for any fund will be less than were anticipated; and

(2) as a consequence the amount available for the remainder of the term of the appropriation or for any allotment period will be less than the amount estimated or allotted therefor;

he shall, with the approval of the governor, and after notice to the state agency or agencies concerned, reduce the amount or amounts allotted or to be allotted so as to prevent a deficit.

~~(g)~~ (h) The state budget agency shall promptly transmit records of all allotments and modifications thereof to the auditor of state.

~~(h)~~ (i) The auditor of state shall maintain as a part of the central accounting system for the state, as hereinbefore provided, records showing at all times, by funds, accounts, and other pertinent classifications, the amounts appropriated, the estimated revenues, the actual revenues or receipts; the amounts allotted and available for expenditure, the total expenditures, the unliquidated obligations, actual balances on hand, and the unencumbered balances of the allotments for each state agency.

(j) No payment shall be made from any fund, allotment, or appropriation unless the auditor of state shall first certify that there is a sufficient unencumbered balance in such fund, allotment, or appropriation, after taking into consideration all previous expenditures to meet the same. In the case of an obligation to be paid from federal funds, a notice of federal grant award shall be considered an appropriation against which obligations may be incurred, funds may be allotted, and encumbrances may be made.

(k) Every expenditure or obligation authorized or incurred in violation of the provisions of this chapter shall be void. Every payment made in violation of the provisions of this chapter shall be illegal, and every official authorizing or making such payment, or taking part therein, and every person receiving such payment, or any part thereof, shall be jointly and severally liable to the state for the full amount so paid or received. If any appointive officer or employee of the state shall knowingly incur any obligation or shall authorize or make any expenditure in violation of the provisions of this chapter, or take any part therein, it shall be ground for his removal by the officer appointing him, and if the appointing officer be other than the governor and shall fail to remove such officer or employee, the governor may exercise such power of removal after giving notice of the charges and opportunity for hearing thereon to the accused officer or employee and to the officer appointing him.

SECTION 5. IC 4-13-1-18.1 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 18.1. (a) A citizen of Indiana may bring an action for declaratory and equitable relief against a state agency or an officer of the state for failing to follow the procedures for the expenditure of funds under IC 4-9.1-1-7, IC 4-12-8-2, or IC 4-13-2-18.**

(b) A citizen, as a condition precedent to maintaining an action, must give notice in writing by registered or certified mail to:

- (1) the budget agency;**
- (2) the auditor of state;**
- (3) the agency to which the appropriation was made; and**
- (4) the attorney general.**

(c) An action under this section must be brought in a circuit or superior court in Marion County.
